# Homecoming Highlights

The crowning of the 1985-1986 Homecoming Queen, Kelley Bainaka, was held before a throng of fans that watched the Cougars fall in a well-fought game to 5th ranked Tri-West, who later was defeated in Semi-State competition.

Co-captain Tim Statzer was pleased with the cougar defense and commented that the game could have been much closer if the offense could have rallied to score early in the game.

The Royal Court included: Kelley Bainaka, 1986 Homecoming Queen; Traci Park, Senior Attendant; Cheryl McBride, Senior Attendant; Staci Davies, Junior Princess; Lisa McKinney, Sophomore Princess; and Stephanie Jones, Freshman Princess.

Nice tackle, Cougars!

Congratulations, Seniors!

The Royal Court of Glamour.

Tracy Lashley and Al Gray proudly present the new Homecoming Queen, Kelley Bainaka.

Last year's Homecoming Queen, Jana Buser, congratulates the new Queen, Kelley Bainaka.

Just relax, girls; you're choking the flowers!

Don't be so scared, Al; it's just Kelley!

# Guys and Dolls

Set against NY City's high lights and low, life, Guys & Dolls provided an entertaining entanglement of love, marriage, and temperance. Nathan Detroit, (Keith Henson) operator of a legendary floating crap game, has evaded marriage to his chorus girl fiancee Adelaide (Aissa Lieske) for fourteen yrs., while his friend and rival, the high rolling Sky Masterson, (Matt Rees) revels in his reputation as a notorious gambler and womanizer. Sky faces the ultimate challenge when Nathan bets him that not even he can sweep Miss Sarah Brown, (Dawn Watson) the prim mission lass, off to Havana, where everyone gets more than they gambled on!

The men strut their stuff . . .

# You Can't Take It With You

"The Sycamores are not your average family" became evident in this year's fall play, "YOU CAN'T TAKE IT WITH YOU." Set in the living room of the Sycamore residence, one soon learned of their many off the wall hobbies, including fireworks, playwriting, and ballet dancing. Their daughter Alice Sycamore (Aissa Lieske), the most conventional member of the family, falls in love with Tony Kirby (Matt Rees), a rich boy with normal parents. The Kirbys are invited to dine with the Sycamores and show up on the wrong night. The shock sustained by the Kirbys when they see these wild bobbies makes Alice feel that their families are too different and they could never be happy. But some strange twists in the story result in a very surprising ending.

# PHS BAND

## John T's Group

They share their tears; they share their joys; they share their laughter. All these things are an essential part of being in the North Putnam Band.

A person in band must be special enough to contribute many hours of hard work and many hours of tedious practice. He or she must know the familiar sound of a drum major's whistle or the special voice of Mr. Wilson's authority, in order to be successful in the North Putnam Band. In addition to this, each person should be willing to spend time learning new things for a show in the hot sun or repeating a measure of music many times, just to get it right. The pride in a band member is the best quality he or she can attain from such enjoyable and memorable years of playing an instrument or performing with the Pom-pon corps.

The North Putnam Band is simply all this, brothers and sisters working together to achieve the highest goal and loving every minute of it!!

# The Night
## Of Elegance

Prom Night—May 3, 1986—was an exceptional evening of ladies in glamorous dresses and their escorts in stunning tuxedoes. The ladies were greeted at the door with a rose and welcomed to "Fantasy Island." The slow dances began soft movements on the floor throughout the night.

Later in the evening everyone gathered around in a circle for the garter ceremony. The ladies faced in to take off the garter and the men faced out and received the garter.

The crowning of the king and queen was the next major event of the evening. All the candidates were lined up on the stage anxiously awaiting the final outcome. They announced Jannetta Sinnet as the Prom Queen and Darren Haler as the Prom King. The Prom Princess was Kelley Bainaka and the Prom Prince was Kevin Harrigan.

After the Prom festivities ended, everyone changed clothes to preapre for the Post Prom given by the students' parents. The theme for the Post Prom was "Hawaiian Beach Party." Entertainment was provided on stage along with numerous door prizes that were provided by local merchants and given out throughout the morning. The activities stopped when the final grand prizes, 2 TV—telephone combinations, were awarded to one lucky junior and one lucky senior. Everyone departed and the 1986 Prom celebration came to a close.

The dance of the Royalty.

Having fun at the high school Prom.

Say cheese, Jannetta and Darren.

"And the 1986 King and Queen are . . . Jannetta Sinnet and Darren Haler!"

"Welcome to Fantasy Island."

It's a bird! It's a plane! No, it's Bill!

"Okay, girls, take off those garters!"

"Go Hawaiian, Sophomore Servers!"

# Awards Day

North Putnam honored its students and graduating class with its annual Honors program on May 12, 1986.

A preview to their graduation, this was the first time the graduating class of 1986 assembled in their caps and gowns. It was an emotional moment.

Students waited anxiously hoping their names would be called in recognition of superior achievement. Also recognized were Pat Inman and Linda Blocher for their help in organizing graduation, and Mr. Loyd Blubaum, who was named teacher of the year.

Congratulations, Mr. Blubaum, Teacher of the Year!

# STUDENTS ACTIVELY INVOLVED

The staff of THE COUGAR EXPRESS worked diligently to prepare the school newspaper during the 1985-86 school year. Problems with the printing press and the challenge of learning the new computer program limited the number of issues published.

Highlighted by the large "senior edition," this year's paper had a "new look." It was very attractive and nearly error-free. When all of the "bugs" are worked out, THE COUGAR EXPRESS will reflect very favorably on school life at North Putnam.

---

The yearbook staff worked very hard to create WRITING ON THE WALL! We feel that this yearbook is the best yet. All who participated should feel good about the finished product.

This year was devoted to more than creating the yearbook. Much additional time was spent on weekends sponsoring dances after football and basketball games to help pay for the book. Candy and calendars were sold to also raise money.

A special thanks needs to be expressed to Mr. Roger Cook, our advisor. Without his support and encouragement we could not have accomplished what we did. Also, our thanks needs to be expressed to Mr. Larry Deckard, who took numerous pictures to help make our yearbook more complete, Mr. Lloyd Blubaum, Mr. Phil Meyers, Mr. Don DeBoer, and Mr. Bill Schad, whose much needed support and tireless efforts were always available, and to all staff members who cooperated in supplying copy and pictures.

The Photography Club is open to all students who have taken photography or are currently enrolled in a photography class.

This year, in addition to learning more about photography and developing, the club went to the Gjesvold Photo & Art Center to learn about portrait photography and the development machine.

---

Media Club members learn how to operate equipment, how to repair materials, how the library operates, and help keep records and files up to date.

Each year in April, the club sponsors a Media Fair. Ribbons and cash awards are given to entrants of outstanding achievement.

---

The 1985-86 school year was the first year for the Youth Advisory Council—better known as the YACS. It was the job of the YACS to help Mrs. Nelson by sampling new food items and helping to decide which should be served in cafeteria. This activity always proved to be interesting and the students hope to see the return of the YACS next year.

# OUR FUTURE LEADERS

The 1986 FHA State Leadership Conference was held on April 11-12 at the Adam's Mark Hotel in Indianapolis. At this conference Lisa Hatch was elected to the state office of Vice President of Recognition. Others who attended and represented North Putnam were Kelly Sparks (who served as the voting delegate), Lori Emminger, Cyndi Turley, Susan Davis, and Mrs. McGaughey.

---

The Future Farmers of America is a very active organization. The 60 members are involved in many activities such as soil and livestock judging and many different contests. Field trips are another exciting part of the FFA. This year some of the trips have included: the Farm Progress Show, Celebration '50 and the Ag Week visit to elementary schools. Members were also involved in an FFA basketball and soccer tournament. The officers for 1985-86 were President, Jamie Ensor; Secretary, Sara Evans; Treasurer, Sheryl Clodfelter; Sentinal, Dale Greeson; and Reporter, Beth Beck.

---

The FCA had a busy year under the supervision of Miss Kahle. They attended a haunted house at the Children's Museum in Indianapolis and throughout the year huddle meetings were held almost every month. At these meetings in depth discussions were held on peer pressure and the affect of Christianity on the North Putnam Community. The FCA attended Russellville Community Church and afterwards had a picnic where James McLemore (co-president of FCA at Indiana University) spoke. At the end of the year, a banquet was held to honor outstanding seniors and officers.

# Actively Involved

The ART CLUB strives to enhance the aesthetics of the school and those involved with it.

Besides having their works of art on display in their showcase at various times throughout the year, their handiwork and creativity are enjoyed each year at Christmastime as the Club takes on the task of decorating the cafeteria. The decorations are "hand-made originals" reflecting the creativity of the individuals who made them. In the spring, an art show is held in conjunction with the spring musical. This year the works of many students were entered with several qaulifying for awards.

Sixteen students entered works in the Putnam County Art Show this year. Five of them received awards.

To give their knowledge and ability in art an application other than creating their own works, several members helped judge the elementary art shows that were held in each of our elementary schools this spring.

Under the supervision of Mrs. Gjesvold, Art Club members are kept actively involved.

---

THESPIAN TROUPE 1478 is responsible for two theatrical productions each year. For the past fifteen years it has performed a fall play and a spring musical. Due to the enthusiastic support of the student body, it has provided quality entertainment for the community and acting experience for the students.

All persons involved with a production receive points for participation. When a student earns ten points he/she qualifies to be initiated into the Thespians.

---

Mrs. Cook sees to it that members of the OFFICE EDUCATION ASSOCIATION, more commonly known as OEA, are kept actively involved. Throughout the 1985-86 school year, members were involved in activities at local, district, state, and national levels.

In addition to several meetings, OEA had various fund raisers which included a "spirit chain" during Homecoming week. A Halloween weiner roast and a Christmas party that included decorating the classrooms of the business department added some variety to the year. Some members attended a fall leadership camp and conference. Participating in district, state, and national contests also brought experience and excitement to those who took part. Our local OEA won several awards of distinction this year including some national ones.

---

After a year's absence, the North Putnam SCIENCE CLUB was back in full force. Miss Kahle made the activity worthwhile for its members by planning several interesting events.

Science Club members enjoyed a trip to a physics-astronomy open house at I.U. Many attempts were made to view Halley's Comet with little success. A paper airplane contest was held in the gym to see whose self-designed plane would fly the farthest. And members even had the opportunity to participate in—would you believe—an egg drop!

# There Is Something for Everyone

The North Putnam STUDENT COUNCIL is composed of twenty members representing grades 7 through 12. Under the capable leadership of President Cheryl McBride, Vice President Cathy Coffman, Secretary Mark Hoke, and Treasurer Dawn Watson, it enjoyed an active and successful year.

The 1985-86 school year began with the Council sponsoring the Homecoming dance in September and providing the tiara and flowers for the Queen and her court. A pumpkin decorating contest was held in October with the results displayed in the cafeteria for the students to enjoy. Council members also treated the faculty to a breakfast in October.

November activities included the preparation of home-baked cookies for the residents of a nursing home. Several members delivered these treats and visited with the residents. Council members worked with the Art Club in planning Christmas decorations for the month of December. It supplied and decorated the tree for the cafeteria.

Valentine's Day found Council members selling carnations to students and faculty to add special meaning to the day.

Council members were encouraged to attend school board meetings as they could to learn more about the total operation of the school system.

As a service to the students, the Council kept a monthly calendar of events posted in the cafeteria showing when extra-curricular and sports events were to take place.

A new project this year was the adoption of faculty secret pals by each Council member during the fourth grading period. Members then honored the faculty with a breakfast on March 5 at which they revealed their secret pal identities.

Springtime brought a dance on Friday, April 11, with the popular "S&S Mobile Music" providing the music.

A popular project for the past few years has been the sponsorship of two NPHS Juniors to attend academic institutes at our Indiana colleges and universities during the summer. This project was again supported by the Council with the awarding of one fully-paid scholarship ($400 maximum) and one half-paid scholarship ($200 maximum).

The school year was concluded with the election of members for the 1986-87 school year followed by the election of its officers. The newly elected president and vice president have the privilege of going to IU during the summer for a Student Leadership Institute which helps them to plan enthusiastically for a new year of activities.

With all these activities, it's a wonder that the Council members had time for school and that Mrs. Chase and Mrs. Steward, sponsors, found time to teach!

The SOCCER CLUB has as its main objective: to provide indoor soccer games during the winter months. Under the enthusiastic leadership of Mr. Price, thirty-five members enjoyed the activity this school year. The "season" of activity concluded with a pizza party and soccer games in the gym against the FFA. (Pictured at bottom of opposite page)

The NATIONAL HONOR SOCIETY of North Putnam implements its pledge of service to the school and community. This year's gum sale proceeds were given to the "Clothe-a Child" program. The collection of food at Christmas was distributed to needy families in the North Putnam area.

Besides service, the Honor Society is pledged to maintaining high standards in scholarship, leadership, and character.

The basic purpose of STUDENTS AGAINST DRIVING DRUNK, better known as SADD, is to make the student body and the community aware of the hazards of driving while under the influence of alcohol. The North Putnam SADD chapter was just established this year with Mrs. Chase as its sponsor.

# FOREIGN IDEAS AND MUSIC TOO

The main purpose for Spanish Club is to promote cultural enhancement for the language being studied.

This year twelve students spent their spring break in Spain. Spanish Club members worked hard to raise money for those students.

Projects included: having a Christmas party at Torr's, a chili supper before a basketball game, a dance, candy sales, and "Prom Show '86." The members also enjoyed a spring feast at Chi-Chi's.

One hundred and three members in Spanish Club made it the largest club at North Putnam this year.

---

Latin Club's big event is the Roman Banquet. The freshmen act as slaves who serve a sumptuous feast to the other members, parents, and guests. A king and queen, (Melanie Gough and Kent Jones), rule over the festivities, which also include lively entertainment and freshmen initiation.

---

The Band Council had a busy year. The Band council consisted of 13 members: Kathy Austin, Darren Bennington, Rebecca Busch, Ronda Busch, Krista Cook, Tracy Cottongim, Lean Curran, Robin Hacker, Diana Hatcher, Keith Henson, Debbie Higgins, Marnie Kennedy and Bonnie Sample.

The first thing the Council discussed was the band jacket. The council decided on the blue and orange jacket with the name, band letter, and a cougar logo on it. Mr. Wilson consulted the Council on the subject of the band trip to Chicago and they agreed that everyone would enjoy it. Last of all, the band was one out of three bands chosen to march in the Union Station Parade. The Council decided that this would be an exciting addition to the band's calendar.

---

The Librarians could be considered the "Cinderellas" of the band. Although as librarians they were never seen at a performance, the band could not have made it without them. Between making sure that music got passed out, and making sure that Mr. Wilson didn't pass out, it's a wonder they ever had time to play their instruments. Many thanks to a devoted few.

## Marching Cougars

The 1985-86 Marching Cougars once again dazzled audiences with their spectacular performances. Going through intricate routines not only brought praise from the home crowds but also earned them honors at local, regional, and state competitions.

Sore-footed Freshmen became full-fledged bandsmen marching in the 1985 Putnam County Fair Parade. Sophomores took their newly appointed jobs as right and left guides seriously as they took the field for home football games. Juniors carefully eyed the positions they would assume after the Seniors graduated, and Seniors realized the importance of their leadership roles in this their last year in the Band. The pom-pon corps spent many hours developing and polishing the maneuvers it would add to complete the overall appearance of each performance.

The contest season was filled with several new pieces of equipment. The new larger director's stand was pulled to and from the performance areas by the new golf cart which is stored in the off season in the new instrument trailer.

With community and individual support, the Band moved through the contest season in class. Although the marching season was a little shorter than the band members had hoped, it was still rewarding.

When the State Finals rolled around at the Hoosier Dome, several band members and adults were there to watch, including Mr. and Mrs. Wilson. Enjoying a continental breakfast on the way, they led the Cougar caravan to the Dome in their chauffeur-driven limousine, compliments of the band members.

With cold Saturday morning performances and muddy Martinsville behind them, the Band moved into its concert season. Christmas, Winter, and Variety Show concerts took many hours of preparation with outstanding entertainment the result.

Springtime brought the band still another challenge—another great experience to add to the many others. The Marching Cougar Band was selected as one of three bands to march in the parade and to perform in the grand-opening day ceremonies for the revitalized Union Station in Indianapolis.

The grand finale of the year's activities, other than Commencement, was playing a concert in Chicago at the Sheraton International. The Chicago weekend experience included visiting the Brookfield Zoo, gorging over $1,000 worth of pizza at Gino's of Chicago, viewing the night skyline from the Sear's Tower Building, and an enjoyable time at the Great America—Six Flags Park. All this in two days!

All in all, it was a great year! The Seniors have many fond memories to take with them and the underclassmen have another year to look forward to.

## Cougarettes

The Cougarettes add a colorful attraction to the marching band. They perform with the band during the fall marching season and provide entertainment during half-time of some home basketball games. They work for many hours learning and perfecting their shows giving up much of their own free time to do so. But after each performance, everyone realizes all the time and hard work were worth it.

## Pep Band

A group selected from the full North Putnam Band, the Pep Band does much to motivate Cougar fans and players. Their spirited music, chants, and occasional showers of confetti contribute much to the exciting action of a Cougar basketball game.

## Jazz Band

The Jazz Band is made up of the finest musicians in the North Putnam Band. An extracurricular group, the Jazz Band members enjoy playing swing, pop, big band, and other jazz styles. This year the Band, under the leadership of Mr. Holland, performed for the music department's Variety Show in March.

## High School Chorus

Since this group meets as a regular class, when the Chorus is not performing or practicing it is involved in the study of music. As a performing organization, the Chorus sings at the Christmas concert, the Spring Variety Show, and at each of the three elementaries in our school system.

## Junior High Bands

Stepping stones to the high school band are the seventh and eighth grade bands. During these two years much improvement is made in skills and techniques. Both bands performed for the Christmas Concert and the Variety Show. Both bands received a first division rating in the Indiana School Music Association's contest for Junior High Bands.

## Varsity Football

The 85 football season was a tough one for the Cougars. Despite their record, Coach Lake claims the squad was "the best 0-9 club around." Under the leadership of the fifteen Seniors the season did have some bright spots. The defense was the Cougars main asset. The most exciting moment was a defensive goal line stance against Greencastle.

Although football at North Putnam didn't have great success other county teams excelled. A 9-0 regular season record was claimed by Greencastle and S. Putnam went to semi-state in sectional play. The Cougar sectional game against Cascade at home was one of the most exciting games of the year. The Cougars lost the battle 13-7. Donnie Stranger received the MVP award while Kevin Harrigan won the Mental Attitude. Tony Bryan and Donnie Stranger were picked as all-conference players. Those who attended the Fall Athletic Banquet got the full impact of the team's pride and realized in their hearts they were all winners. It was truly a season of Blood, Sweat, and Tears.

# COUGAR TEAMWORK

Though the Cougar football teams didn't win every game they played, their dedication was obvious. The hard work and determination of the players and the coaches was to be respected. The thrill of being involved in high school athletics will be remembered by each player forever.

## *Varsity Volleyball*

The Cougar Spikers survived injuries, illness, and a variety of other problems in posting a record of 6-11. Jannetta Sinnet was an intimidating force at the net and was selected to the All-Conference and All-County Teams. Nicole Glass broke all the school records for setters and was chosen as the team's most valuable player. The team consisted of five seniors who were: Cheryl McBride, Rebecca Busch, Nicole Glass, Ronda Busch, and Jannetta Sinnet.

## JUNIOR VARSITY

Under the capable guidance of Coach Kahle, the Junior Varsity girls gained skills and sharpened their techniques. They are looking forward to and will be ready for more action in 1986-87. The team consisted of (below) Coach Kahle, A Staley, A Lake, A Lashley, J Greenburg, (row 2) J Livingston, S Jones, J Strader, G Gardner, L Griffin, (row 3) K Rotert, K Martin, B Lashley, and C Brooks.

The seventh grade girls volleyball team's record of 1-9 does not tell the whole story. The nine girls improved throughout the entire season. Not knowing the game of volleyball or the taste of victory, the girls worked hard and had fun. The only victory came against South Putnam—an exciting two-game match. The 15-13 win of the first game sent the girls on a high to take the second game 15-7. Leading the scoring for the year were Jill Plunkett and Rita Hess. Jana Bowling, the aggressive player, led the team in serve receiving and overall bumping. The potential for a winning team and season next year looks promising.

The eighth grade girls ended their season with an even 5-5. Their victories included Avon, Tri-West, and South Putnam twice. The most gratifying victory was over Greencastle (15-5, 15-8) on our own court.

All seventeen girls worked throughout the season. The most consistent were Bonnie Godwin, Susan Games, Andrea Craver, Kelly Bryant, and Kay Phipps. Susan, Andrea, and Kay led the team in scoring. Bonnie and Andrea put together a super bump-set-spike combo against Greencastle. The outstanding player was Susan Games. She had a good attitude and a strong competitive behavior. She always did what was needed and expected of her. A strong freshman team should arise next year.

The Junior High girls finished the season by honoring Coach Jennifer Purdue with a plaque and a hard fought match against Waynetown.

## *Varsity Basketball*

The 1985-86 North Putnam basketball season was a turn-around from previous years. The Cougars finished the season 9-13. Any fan who followed the team enjoyed many exciting games. In one weekend the Cougars defeated Edgewood on a last second shot and the following night won against undefeated Cascade with another last second bucket.

The Cougars were led by 5 Seniors. Chris Lyons won the MVP award and was selected to All-Conference. Against Northview Lyons scored 40 points, shooting 80 percent from the floor and 100 percent from the line. Chris Colvin won the mental attitude award. Twice he had a triple-double, scoring double figures in points, rebounds and assists. Other contributing Seniors were Al Gray, Dale Greeson, and Mark Stokes.

A big asset for the Cougars was their bench strength. Several different line-ups were used and several players came into the game to make important plays.

In the first sectional game, the Cougars gained revenge against Greencastle defeating the Tiger Cubs. In the Championship game against South Putnam, the Cougars lost a close battle.

The crowds were very supportive of the team throughout the season. The first basket of some games resulted in the decorating of the gym with confetti and toilet paper. For all, the season was fun and exciting!

# HERE COME THE CHAMPS!

## Junior High Basketball

This year's seventh grade boys finished their season with an overall record of 9 wins and 5 losses. They also captured the County Championship defeating Cloverdale 47-14. Brock Barnhart led the team in total points with 185 for the season. In 3 games he scored in double figures with 24. Matt Lake had an outstanding game against Greencastle in which he had 11 steals. Glen Runnels and Shawn Jones were noted as being the best defensive players and Chad Wehrman the best all-around player.

The eighth grade boys had a record of 0-13. This, however, does not show the spirit and determination with which these young men played each game. Late in the season, the squad played an excellent game against Cloverdale with North Putnam finally losing by 7 points. The desire each of players carries with him will make him stronger and more productive in the future.

This year's eighth grade girl's squad had a .500 season under the coaching of Bill Bays. The girls also captured the County Championship. Susan Games and Kay Phipps were leading scorers on the team. The girls are looking forward to playing in high school next year where they will be a welcome addition to the squad.

The seventh grade girls also had a fine season. Each player contributed her best to make the team a fine one. The skills the players learned this year are bound to pay off next year and help to keep a tradition going by bringing home another County Championship.

# ON THE MOVE

## Girl's Basketball

The girl's basketball team ended its season with a record of 5-13. There were only three seniors on the squad this year: Traci Park, Jodi Ferrand, and Jannetta Sinnett. Jannetta had the highest scoring game in N.P. girl's competition with a 30 point effort against South Putnam. Juniors Sarah Griffin and Melanie Gough will be back next year along with Sophomore Jody Marsteller. Alison Phipps gained a great deal of experience and should be ready for full-time varsity play next season. The future looks bright for 86-87.

The J.V. finished it's season 2-13 behind the coaching of Don Simpson. The J.V. squad had many players who also saw varsity time, which shows the depth of the team. The J.V. squad is looking forward to a good season next year with many young players returning with a year's experience.

# PILLARS OF STRENGTH

## *Varsity Wrestling*

The wrestling team, suffering from a small number of wrestlers, completed the season 2-12.

Bill Martin, Bob Sandford, Jesse Hensley, and Darin Whitaker each qualified for the regional.

Senior co-captain Jesse Hensley received the Most Valuable Wrestler award as he posted a 17-5 record.

Freshman Bill Martin, with a record of 18-7, received the Mental Attitude Award.

Just by graduating one senior this year, and with hopes for better participation next year, the wrestlers expect to reverse their win-loss record. The hard work put in by this year's team is bound to pay off next year.

## Junior High Wrestling

The Junior High wrestling team gained experience and began learning wrestling fundamentals during the 85-86 season. The team had many promising wrestlers which looks good for the future.

## Varsity Track

The boys track team didn't place on top at all their meets but at different times members clocked their individual best. Junior Mike Spires qualified for sectionals and won the MVP award. Freshman Bill Martin was the winner of the mental attitude award.

The Varsity Girls enjoyed an exciting season. Several school records were set. Freshman Karie Rotert set a new record in the discus. The 1600 m relay team consisting of Cheryl Faller, Denee Winings, Stacy Kennedy and Sarah Griffin also set a new record. Sarah Griffin is the school record holder in the 1600m run, 800m run, 400m run and long jump. She was selected to All-Conference and received the MVP award. Cheryl Faller won the Mental Attitude Award.

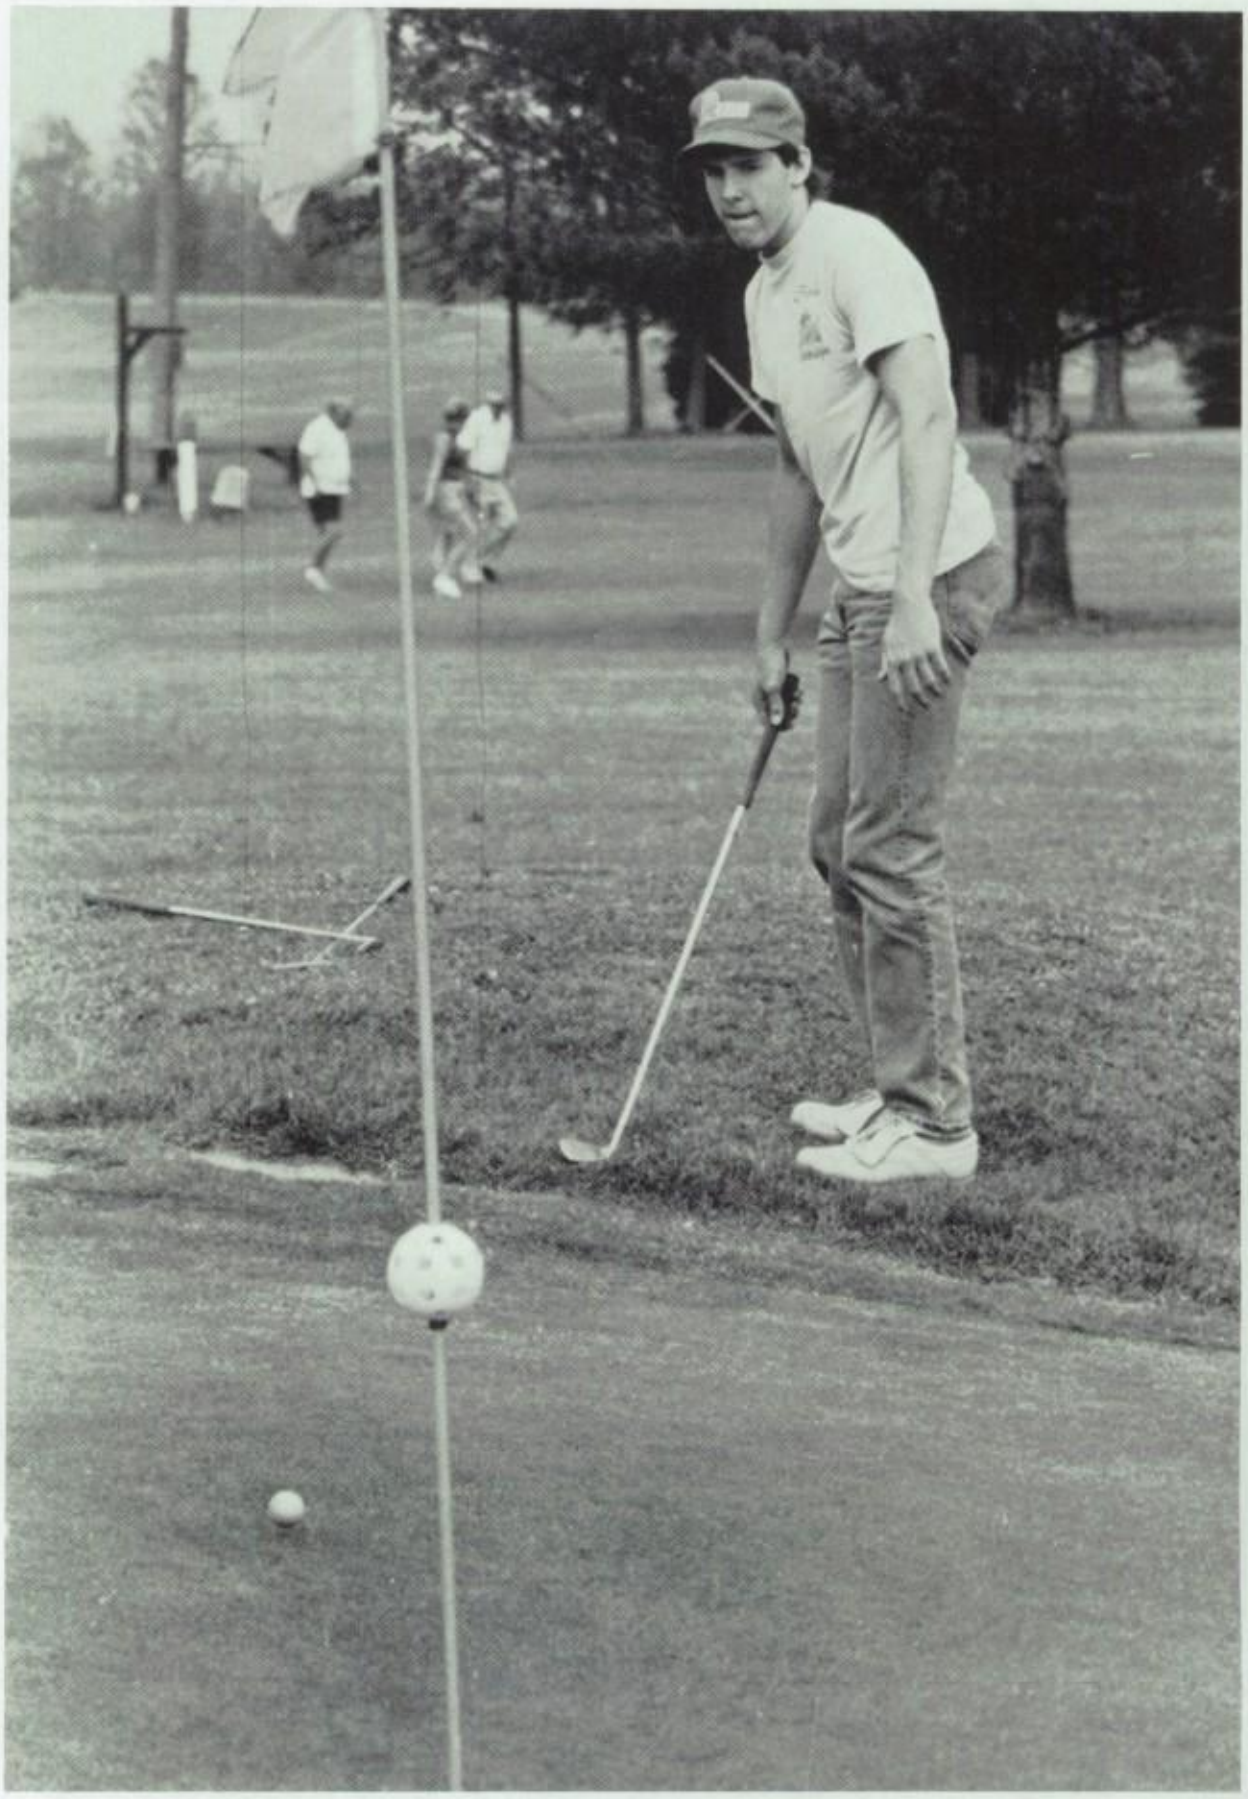
# Golf and Cross Country Strut Their Stuff

The golf team scores were much better this season than last, but the competition from other schools was better also causing the win-loss record to be unimpressive.

Mike Marsteller led the team in scoring beating 55 opponents during the season. Greg Asher had the best 9-hole score for the season with a 39. Marsteller also led the team to a 6th place finish in the conference tournament shooting an 88.

The cross country team survived a long and grueling season this year practicing long hours and running many miles. The squad graduated no seniors, which means all the runners will be back next year. Kent Jones was the top runner for the team competing well in all the meets he ran in. Mr. Roach is looking forward to a fine season next year.



Mike wonders, "Is it going to go in, or not?"

# BATTER UP!!

The 1985-86 varsity baseball season was a frustrating one. After a promising start, the team could never climb back from a mid-season slump. The Cougars finished the season with a 4-14-1 record.

There were several exciting moments including a comeback win over Rockville. A tie with Greencastle resulted after a bench-clearing brawl delayed the game.

The squad was dominated by 8 seniors. Darren Haler was selected to All-Conference and was awarded the MVP. Tracy Lashley was the recipient of the mental attitude award.

## Cougar Showcase Acknowledges Standouts

The 85-86 Sports season was an exciting one for North Putnam. Several athletes stepped out as leaders and were rewarded for their talents.

Athletes gained the respect of the community and learned sportsmanship and teamwork on a Cougar squad.

All those who participated may not have been the leading scorer or the fastest on the team, but they were proud and they tried their hardest.

As one looks forward to the upcoming years, he eagerly awaits the maturing of the underclassmen but is saddened by the departing of the Seniors. The Cougar pride will live on in their hearts forever.

All of those who followed and participated in Cougar events enjoyed the thrill of victory and the agony of defeat.

Dear Mr. Schad,

Last week I had the privilege of officiating at the Greencastle sectional. I would like to compliment you and your staff on developing such a fine group of young men.

Even though your team lost the championship, I was particularly impressed by how polite your players were. At the conclusion of the game, #21 sought me out to tell us that we did a good job.

They have truly learned the meaning of good sportsmanship, and your community should be very proud of them.

It's because of kids like the Cougars and the Eagles that I'll probably ref until I'm 50.

Sincerely,

John W. Adams, III

This year during halftime of the home varsity football and basketball games, the varsity and junior varsity cheerleaders held a hospitality room. This gave the girls an opportunity to meet new people and renew acquaintances with girls they had met at past ballgames, cheerleading camps, and contests. Besides the usual "girl talk," discussions about camp, uniforms and cheerleading activities were held. All of the people involved thought this was a good idea and one that should be continued.

Also this year, the varsity and junior varsity cheerleaders led cheers for a few of the varsity & JV girls basketball games and tournaments.

To all of the cheerleaders, we would like to say "Thank You" for a great season and a job well done.

The High School squads participated in both the Putnam and Montgomery County cheerleading contests.

Varsity & Freshman received first places at Putnam County, while the JV received a second.

The JV received a first in Montgomery County and also received the Spirit Award, while both Varsity & Freshman placed second.

## A NORTH PUTNAM CHEERLEADER

One can always recognize this girl in a crowd or at a game. She is the one wearing a big smile from cheek to cheek and jumping up and down. She is a NORTH PUTNAM cheerleader!

She backs the team by participating in cheerleading activities and other supportive roles.

Even on the coldest and wettest days a North Putnam cheerleader thinks, "I've got to keep CHEERING, I've got to keep CHEERING, I can't let down my team!!!"

The year has come to an end—the year that all the Seniors of 1986 could hardly wait for. It has been a memorable six years we have all spent together—from the time we walked through the halls of N.P.H.S. our very first day of 7th grade, to the "big bad Seniors" that we are known to be. Our class has been like one big unique family. We have laughed together; we have cried together; we have shared our feelings, our thoughts, our joys and our fears. We have loved one another. Now it is time for us all to go our separate ways. Our memories will forever be within our hearts—the memories of the class of '86!

# MINI-MAG

Every individual will remember the school year 1985-1986 by his own special memories. However, we all may recall national and local events that loomed large in the media and the minds of the people.

Charity was "in" this year as the music industry donated its talents for records like "We Are the World," and for events such as the "Live Aid" concert in July—sixteen hours of non-stop rock that raised $70.5 million to save lives in Africa.

Terrorism, aimed particularly at Americans, hit an all-time high in 1985-1986. In June, a Trans-World Airlines jet with 145 passengers and 8 crew members was hijacked in Athens, Greece. While most of the hostages were released within a few days, 39 were held for 17 days. One American was killed. In July, Palestinian terrorists hijacked the Italian cruise liner Achille Lauro while on a Mediterranean cruise. Again, an American hostage was killed.

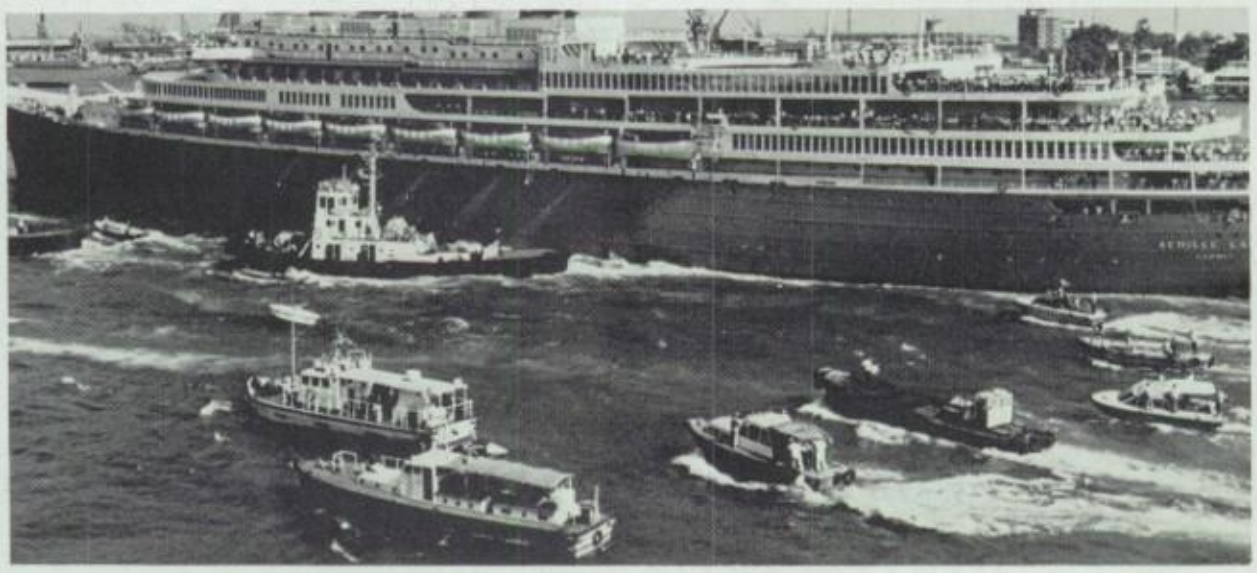
The United States retaliated against Libyan terrorism, sparked by an incident in Berlin, and bombed Libyan military installations and alleged terrorist training camps.

William Perry, called by some "the best use of fat since the invention of bacon," led the Chicago Bears to the largest superbowl victory ever, 46-10 over the New England Patriots.

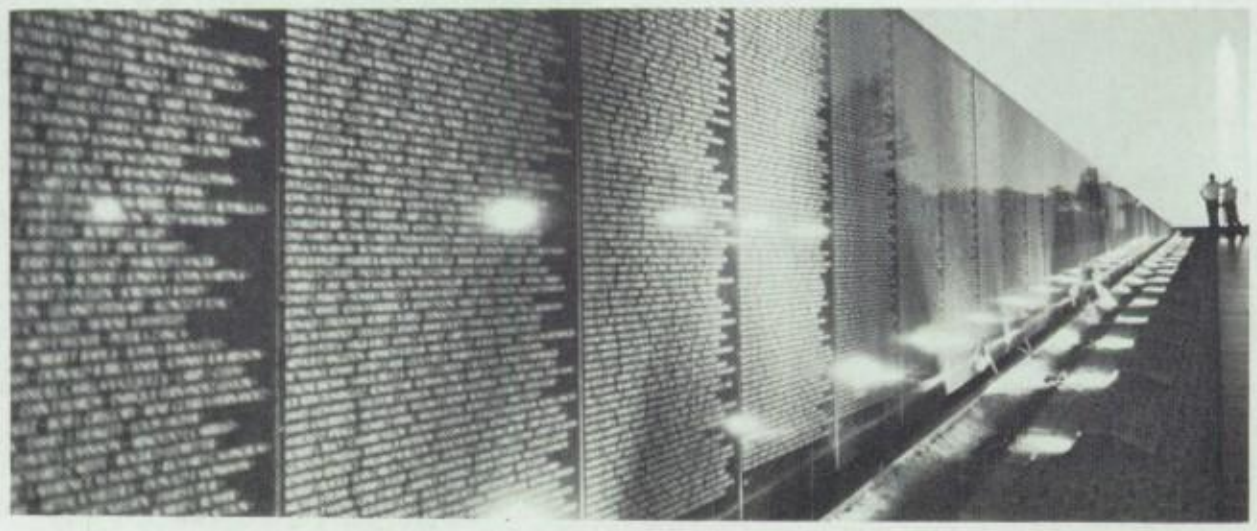
The United States was deeply shaken in 1985 by a disease that has only begun to rear its head—this will be remembered as the year that AIDS came out of the closet. The late Rock Hudson opened the door and widened our eyes to an epidemic whose proportions are yet to be fully measured. Closer to home, Ryan White, age 12, of Russiaville, IN., was forced to leave his school after contracting the deadly virus from a blood transfusion. Only after much litigation was he allowed to return to school. The decision is still being appealed by concerned parents.

Left: Christa McAuliffe folds her training uniform as she packed for a trip to Houston where she began training for her trip into space. McAuliffe was a high school teacher from Concord High School in Concord, N.H. She was selected from thousands of teachers who had applied to become the first teacher in space. Millions of eager students were shocked to witness the space shuttle Challenger explode moments after launching killing McAuliffe and six other crew members. Above left: A series of devastating earthquakes rumbled through Mexico City in September and the death toll was in the thousands. Few in the metropolitan area of 18 million escaped the effects of the first quake, which registered 8.1 on the Richter scale; or the second quake, which measured 7.5. Above right: President Reagan, with first-lady Nancy, gives the A-Okay sign from his hospital window in July after undergoing surgery to remove a cancerous tumor from his lower intestine. The 74-year-old President was back on the job within weeks. Right 2nd from bottom: A TWA jet with 145 passengers and 8 crew members

Left: The first in-flight disaster in 56 manned U.S. space missions, the explosion of the space shuttle Challenger claimed the lives of all 7 crew members on board and made the U.S. take a very close look at its space program. First below: The war in the Mid-East continued this school year. A distraught Moslem man hugs his son moments after they survived a car bomb explosion outside a West Beirut restaurant. Second below: Four Palestinian terrorists hijacked the Italian cruise liner Achille Lauro while on a Mediterranean cruise. One American was killed. After the ship was released, the Egyptian government agreed to return the hijackers to the PLO. However, the hijackers were intercepted by American jets as they were flown out of Egypt and returned to Italy to stand trial.



was hijacked in Athens, Greece. The Sheite hijackers took the plane to Beirut, then to Algeria, and then back to Beirut. Most of the hostages were released within a few days, but the remaining 39 were held for 17 days. One American was killed. Right: Ceremonies were held at various times during the year at the Vietnam Memorial in Washington, D.C. to commemorate the tenth anniversary of the fall of Saigon. The Memorial is inscribed with the names of more than 58,000 dead or missing soldiers from the Vietnam War.



With one swing of the bat, Pete Rose of the Cincinnati Reds proved his greatness once again as he put his name above Ty Cobb's for most career hits. Rose, 44, who hit number 4192 on Sept. 11, 1985, received a seven minute standing ovation and a congratulatory phone call from President Reagan.

A malfunction at a nuclear generating station in Chernobyl, Russia, caused one of the most terrifying nuclear incidents experienced to date as radioactivity was spread throughout much of the world. Due to Russian secrecy, it will never be known exactly what caused the tragedy and how many lives were lost, but 92,000 were reportedly evacuated.

The Statue of Liberty received a major facelift which repaired the ravages of time and pollution. The operation was made possible by volunteer funding which exceeded expectations. The surgery was completed in time for its 100th birthday on July 4, 1986.

And finally, no yearbook would be complete without its senior polls. The following is a list of the "best" of the class of 1986.

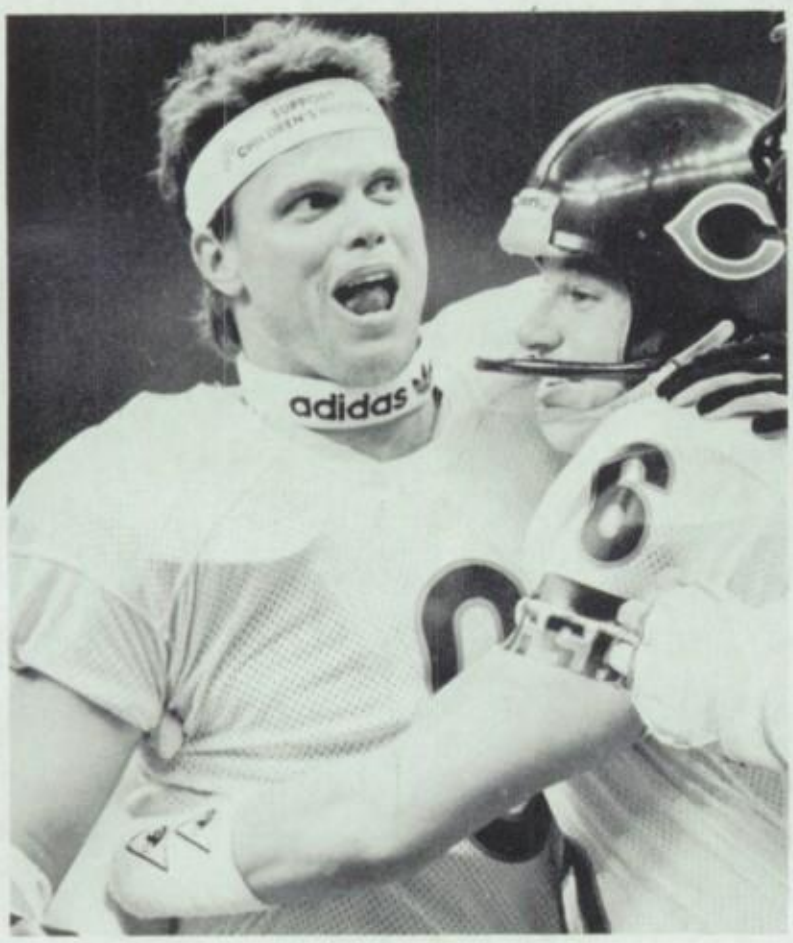
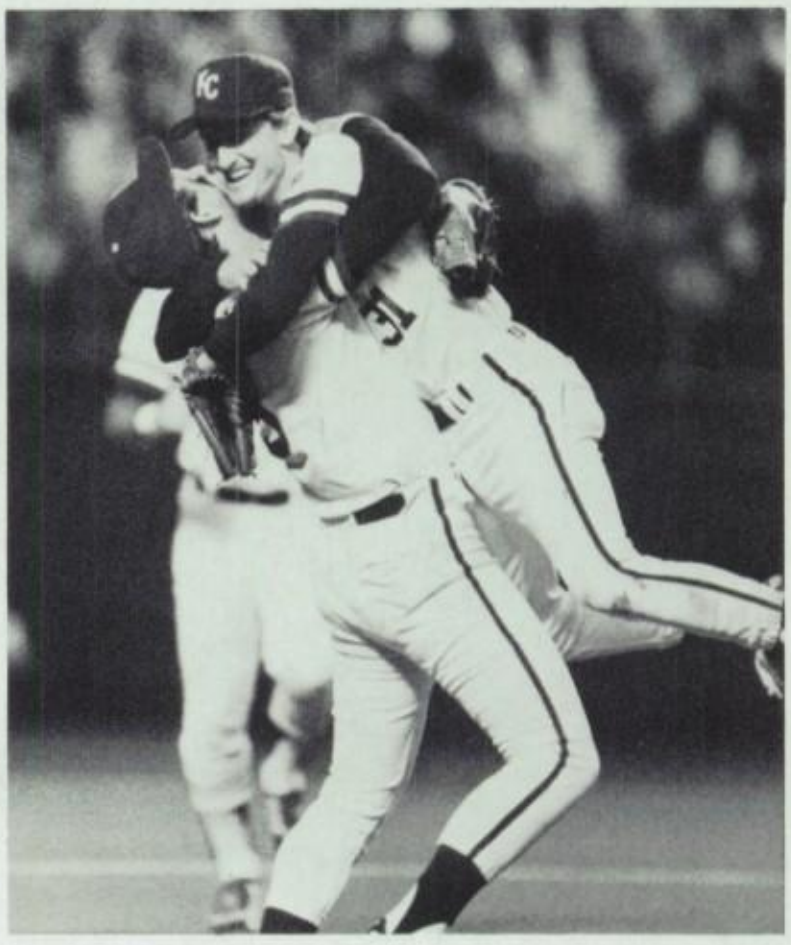
Far left: Blue-collar troubadour Bruce Springsteen was the undisputed "Boss" of rock n' roll. His songs about Vietnam veterans, steelworkers, and factory workers hit many responsive chords with all ages of Americans. Left: Cincinnati Reds player-manager Pete Rose broke Ty Cobb's career hit record in September. The historic #4,192 was a single to left field on a 2-1 pitch from San Diego Padres right hander Eric Show with one out in the bottom of the first inning in Cincinnati. Center left: Riots were an almost daily occurrence in South Africa as blacks protested Apartheid. In this photo, a white man runs from a jeering group of stone-throwing blacks in downtown Johannesburg as widespread violence continued to breakout throughout the country. Center right: Well-known movie star Rock Hudson fell victim to AIDS. His bout with the disease drew much public attention and generated a large sum of money to help in dealing with it. Bottom left: Chicago Bears Jim McMahon and kicker Kevin Butler celebrate as their team soundly trounced the New England Patriots 46-10 in Super Bowl XX. Bottom right: The Kansas City Royals won the World Series. Royals pitcher Bret Saberhagen embraces third baseman George Brett after pitching a five-hitter to give the Royals the crown over the St. Louis Cardinals. Saberhagen, the winner of two series games, was named the MVP in the Series.





# JUNIORS

Almost there . . .

Upon beginning our seventh grade year at North Putnam, most of us wondered, "Is 1987 ever going to arrive? Are we almost there?!"

As we have anxiously awaited the arrival of that magical year, we have experienced changes: some classmates moved, new ones arrived; a new dress code on a trial basis that even permitted sweats and shorts; a new directive from the State Board of Education that lengthened the school day and cut out extra-curricular activities during regular school hours.

We're movin up . . . Almost there . . . but friends we'll always be!!!!

Frosh survived first year of high school . . .

The year 1986 was when the exciting time came for the freshmen, because they finally reached their first year of high school.

How did the freshman survive their first year? To help things out we established a dress code on a trial basis, convications were held, and we even had a pep session that help defeat Greencastle at the sectionals.

Now the question is, can they survive the remaining years?

# EIGHTH!!

Hey! We know we're cool!

MOVING UP . . .

So it's the last year of Junior High. Some things did improve during this year: a new dress code was experienced on a trial basis, a few convocations were enjoyed, and even a rowdy pep session that helped defeat Greencastle at the sectionals was held.

Even though the freshman year sounds like so much fun, still there are some catches in moving up to high school, for instance, harder classes, and even more homework, which results in studying harder.

As some people are thinking about moving up they will get nervous, some will be excited, but most of all they will just be glad to get one year closer to 1990!

SO THIS IS JUNIOR HIGH?? . . .

Were they excited?? Of course they were, it was their first day of Junior High. A new school, new teachers, new friends, long halls, and lockers that wouldn't open that was the excitement of it all!!!!

Along with our classes we had some convocations, a pep session to cheer the basketball team on who defeated Greencastle at the sectionals, and several dances sponsored by different clubs.

They have really enjoyed the first year of Junior High and will be more excited when they go further on to Senior High!

Spelling Bee . . . The 7th grade spelling bee was held on Monday, March 24, 1986 at North Putnam Jr.-Sr. High School gymnasium. Jana Boling, Aimee Law, Ginger Martin, and Chad Richardson were the four students who participated in this contest. The three judges were Mrs. Patrick, Mr. White, and Mr. Price. Mrs. Chase was the speaker for this contest.

Chad Richardson was the runner-up of the seventh graders while Rachel Mandleco was the winner of the eighth graders. Those were the two final participants, and they will be going to Ridpath Elementary School to participate in the County Championship on April 17, 1986.

Mixer . . . The Junior High mixer was held at the North Putnam Jr.-Sr. High School in the cafeteria on October 19, 1985. The four sponsors of this mixer were Mrs. Stevens, Mrs. Patrick, Mrs. Lake, and Mrs. Boling. The two senior DJ's were Tim Statzer and Tracy Lashley.

Also during the mixer Matt Lake was crowned King and Ginger Martin was crowned Queen of the 7th grade. There was also a contest for the people who dressed-up for this occasion. The categories were:

Scariest—Amy Weddle
Funniest—Shannon Smeelink
Prettiest—Scott Ezman
Most Original—Shelly Stokes
